

NOVEMBER 16TH AND 17TH THE CODY CONFERENCE

Mass Casualty – Disaster Care

This is the 3rd year of the Cody Conference for Mass Casualty – Disaster Care sponsored by Norman Regional Health Systems and TeamHealth. This unique assembly brings together a wide range of professionals with a role to play in Planning, Responding, and Recovering from Mass Casualty Disaster Events. The Target Audience includes EMS personnel, Physicians, Advance Practice Clinicians, Nurses, Hospital Administrators, Disaster Managers, and others involved in protecting our communities during these times of need. Along with select topics, the conference includes two afternoon workshops this year on Tactical Medicine and Mass Casualty Management at the Emergency Department. We hope to see you there!

Patrick M. Cody DO MPH – Program Chair

This conference brings together a wide spectrum of talented and experienced professionals for a focused interaction on Mass Casualty Disaster topics

Dr. Kevin Klauer will be presenting his dynamic “Myths in Emergency Medicine” talk
